Goal 1: Student Achievement

This plan includes progress notes which are at the very end of this document

Measurable Objective 1:

collaborate to increase the combined percentage of reading and math proficiency for all students from 36.3% to 47.6% by 10/01/2014 as measured by EOC assessments in Math and Reading.

Strategy 1:

Math Design Collaborative Strategies-Best Practices - Math teachers will collaborate throughout the year with all schools in the district and a district level consultant to implement formative assessment lessons and KCAS instructional strategies

Activity - Analysis of Student Work	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will collaborate to determine common misconceptions of students to inform next step in instruction.	Academic Support Program	08/14/2013	05/23/2014	\$2000	Other, No Funding Required	Department head

Activity - Implementation of KCAS formative assessment lessons	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will implement 5 to 10 formative assessment lessons and use the data gathered to inform instructional shifts called for in the KCAS.	Academic Support Program	08/14/2013	05/23/2014	\$0	No Funding Required	Department Head

Activity - Lesson Study	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will collaborate with other teachers throughout the district at course level to teach a lesson and give/receive feedback on best practice.	Academic Support Program	08/14/2013	05/23/2014	\$0	No Funding Required	Department head

Strategy 2:

Utilizing ACT Practice Tests - Students will take practice ACT tests in order to identify skills which need to be targeted.

Activity - ACT Practice Test	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Students in core classes will take practice ACT test. Teachers will analyze results to identify gaps in each student's skill base. Teachers will design lessons/activities to improve identified deficient areas. Students will set goals for improvement. Students will take an additional practice ACT after skill deficiencies have been addressed.	Academic Support Program	08/14/2013	05/23/2014	\$0	No Funding Required	Department heads and teachers.

Strategy 3:

Utilizing MAP Data - Teachers will use MAP data to motivate and differentiate instruction within the classroom.

Activity - Goal Setting and Differentiation	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will share scores from regular MAP assessments and assist students in setting appropriate goals for improvement. Teachers will then use the results from MAP assessments to design and differentiate lessons in classes.	Academic Support Program	08/14/2013	05/23/2014	\$0	No Funding Required	School testing coordinator, department heads, and teachers.

Activity - MAP Testing	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Students will take the MAP assessment at the beginning, middle, and end of the school year.	Academic Support Program	08/14/2013	05/23/2014	\$0	No Funding Required	School testing coordinator.

Strategy 4:

Springboard Program Best Practices - Math teachers will collaborate throughout the year with all schools in the district and district level consultant to implement KCAS strategies and align curriculum.

Activity - Use of Content Specific Walk Reflection Tool	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will use the content specific reflection tool for planning, peer observation, and reflection on instructional strategies.	Academic Support Program	08/14/2013	05/23/2014	\$0	No Funding Required	Department head.

Activity - Analysis of Student Work	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will collaborate around the analysis of student work produced on the embedded assessments and end of unit test items to determine deficit areas and adjustments to instruction.	Academic Support Program	08/14/2013	05/23/2014	\$0	No Funding Required	Department head.

Measurable Objective 2:

collaborate to increase the percentage of proficiency for GAP students in reading from 41.0% to 44.7% by 10/01/2014 as measured by EOC in English II.

Strategy 1:

Literacy by Design Collaborative-Best Practices - English, Social Studies, and Science teachers will collaborate throughout the year with peers and district level consultants to implement modules and KCAS instructional strategies.

Research Cited: CCSSO

Activity - Module Development	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will collaborate with other teachers in the building and throughout the district at course level to design and refine standards based modules.	Academic Support Program	08/14/2013	05/23/2014	\$0	No Funding Required	Lead teachers and district consultants.

Activity - MAP Testing	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Students will take the MAP assessment at the beginning, middle, and end of the school year.	Academic Support Program	08/14/2013	05/23/2014	\$0	District Funding	School testing coordinator.

Activity - Goal Setting and Differentiation	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will share scores from regular MAP assessments and assist students in setting appropriate goals for improvement. Teachers will then use the results from MAP assessments to design and differentiate lessons in classes.	Academic Support Program	08/14/2013	05/23/2014	\$0	No Funding Required	School testing coordinator, department heads, and teachers.

Strategy 5:

Response to Intervention Classes-Reading - Incoming freshmen, who are predicted to be performing below proficient in reading according to each student's MAP assessment, will be placed in an additional 12 weeks (72 hours) of English instruction during their freshman year.

Upcoming sophomores, who are predicted to be performing below proficient in reading according to each student's MAP assessment, will be placed in an additional 12 weeks (72 hours) of English instruction during their sophomore year.

Research Cited: The amount of time a student spends studying/working on a specific skill is correlated with the level of performance the student exhibits.

Activity - RTI Scheduling	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Student's performance on MAP will determine placement into classes specific to their current performance level.	Academic Support Program	08/14/2013	05/23/2014	\$0	No Funding Required	Department heads, counselors, SBDM, and principal

Activity - Curriculum Development and Alignment	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will work within the school and with district consultants to plan and execute the needed curriculum or RTI classes.	Academic Support Program	08/14/2013	05/23/2014	\$0	No Funding Required	Department Heads

Measurable Objective 3:

collaborate to increase the percentage of proficiency for GAP students in math from 12.2% to 41.7% by 10/20/2013 as measured by as measured by EOC in Algebra II.

Strategy 1:

Utilizing MAP Data - Teachers will use the results from MAP assessments and information from Descartes to design and differentiate lessons in classes.

Activity - MAP Data and Descartes Training	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will receive multiple trainings and PLC work to learn how to access and utilize MAP data in order to adjust instruction within the classroom.	Academic Support Program	08/15/2012	05/30/2013	\$0	No Funding Required	Assistant Principal and School MAP testing coordinator.

Activity - Differentiated Instruction	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will use the results from MAP assessments to design and differentiate lessons in classes.	Academic Support Program	08/15/2012	05/30/2013	\$0	No Funding Required	Assistant Principal, School MAP coordinator, Department heads, and teachers.

Goal 3: Tell Survey Goal

This plan includes progress notes which are at the very end of this document

Measurable Objective 1:

collaborate to increase the percentage of teachers who agree within each component of school leadership by 5% through increasing the knowledge, consistency, and execution of a school wide Positive Behavior Instructional System by 05/31/2015 as measured by the Leadership Components with in the Kentucky Tell Teacher Survey.

Strategy 1:

Teacher Training and PLC - Teachers will receive training on and exposure to interactions with at-risk students. These trainings will include activities at faculty meetings, monthly PLC's, and specially designed experiences throughout the year.

Research Cited: PBIS

Activity - PLC	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Principals and teachers will meet twice each month in PLC's to discuss PBIS techniques, progress, and needed adjustments.	Behavioral Support Program	08/14/2013	05/23/2014	\$0	No Funding Required	Principal

Strategy 2:

School Wide PBIS - A new strategy/philosophy of discipline will be implemented in the school. This approach to discipline will draw from KYCID and Love and Logic. It will be taught, practiced, and adjusted regularly with staff and students.

Activity - Opening Day	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will experience introduction, practice, and discussion on PBIS and its implementation at Scott High School	Behavioral Support Program	08/14/2013	05/23/2014	\$0	No Funding Required	Principal

Activity - Principal-Teacher Interactions	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Principals will regularly intervene, discuss, and make recommendations to PBIS procedures when appropriate/needed.	Behavioral Support Program	08/14/2013	05/23/2014	\$0	No Funding Required	Principals

Activity - Student Voice Committee	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
A committee of teachers and students will meet monthly to review and discuss PBIS/discipline related data. This committee will report regularly to the principal and SBDM as well as make recommendations.	Behavioral Support Program	08/14/2013	05/23/2014	\$0	No Funding Required	Assistant Principal

Activity - Scott Universal Instructional Goals	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers and administration will collaborate to develop, define, and implement common instructional and behavioral goals to be used by all teachers.	Academic Support Program	08/14/2013	05/23/2014	\$0	No Funding Required	Principal

Goal 4: Writing Program

This plan includes progress notes which are at the very end of this document

Measurable Objective 1:

collaborate to improve the quality of student writing from 79% proficiency in May 2013 to 84% proficiency by 05/23/2014 as measured by writing program review.

Strategy 1:

PLC and Collaboration - Teachers will receive training and collaboration on developing and implementing high quality writing and writing assignments in the classroom.

Activity - PLC	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will be involved in regular PLC meetings to receive training on the development and implementation of writing within the classroom.	Professional Learning	08/14/2013	05/23/2014	\$0	No Funding Required	Writing Cluster Leader

Activity - Collaboration	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Writing cluster leader, district consultants, and teachers throughout the district will meet two to three times throughout the year to discuss, develop, and review writing assignments.	Professional Learning	08/14/2013	05/23/2014	\$0	No Funding Required	Department heads, lead teachers, and district consultants.

Activity - Writing Documentation and Feedback	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will document writing assignments which are being utilized in their classes. Writing Cluster leader and principals will regularly review and provide feedback to teachers on these assignments.	Professional Learning	08/14/2013	05/23/2014	\$0	No Funding Required	Writing Cluster Leader and Principal

Strategy 2:

Literacy by Design Collaborative-Best Practices - English, Social Studies, and Science teachers will collaborate throughout the year with peers and district level consultants to implement modules and KCAS instructional strategies.

Research Cited: CCSSO

Activity - Implementation of KCAS based LDC modules	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will implement one to two LDC modules and use the data gathered to inform instructional shifts called for in the KCAS.	Academic Support Program	08/14/2013	05/23/2014	\$0	No Funding Required	Department heads, lead teachers, and district consultants.

Goal 5: Arts and Humanities Program

This plan includes progress notes which are at the very end of this document

Measurable Objective 1:

collaborate to improve performance on the Arts and Humanities program review from 91% proficiency in May 2013 to 95% proficiency by 05/30/2013 as measured by Arts and Humanities Program Review.

Strategy 1:

PLC and Collaboration - Teachers will receive training and collaboration on developing and implementing high quality arts and humanities assignments in the classroom.

Activity - PLC	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Specialty teachers and some core teachers will be involved in regular PLC meetings to receive training on the development and implementation of providing arts and humanity experiences, classes, and extracurricular activities that will increase the frequency, exposure, and access of students to arts and humanities.	Academic Support Program	08/14/2013	05/23/2014	\$20000	School Council Funds	Arts and humanities dept head, A/H program review coordinator, principal, A/H specialty teachers, and district consultant.

Activity - Collaboration	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
A/H Program Review Director, specialty teacher, principal, and district consultant will meet two to three times throughout the year to discuss, develop, and implement arts and humanity experiences and opportunities for students.	Professional Learning	08/14/2013	05/23/2014	\$5000	District Funding	Principal, A/H Program review director, specialty teachers, and district consultant.

Activity - A/H Documentation and Feedback	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will document assignments and opportunities which are available to our students. A/H Program Review Director and principals will regularly review and provide feedback to teachers on these assignments and opportunities.	Professional Learning	08/14/2013	05/23/2014	\$0	No Funding Required	Principal and A/H Program Review Director.
Activity - Curriculum Update and Alignment	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Each Arts and Humanities course will be analyzed and mapped to current state and national standards. All A/H lessons will include regular manipulations of related text as well as the review, evaluation, and synthesis of artistic products.	Academic Support Program	08/14/2013	05/23/2014	\$0	No Funding Required	Principal and A/H teachers.

Goal 6: Practical Living and Vocational Studies Programs

This plan includes progress notes which are at the very end of this document

Measurable Objective 1:

collaborate to improve student performance in Practical Living and Vocational Studies from 39% proficiency in May 2013 to 50% proficiency by 05/23/2014 as measured by the Practical Living and Vocational Studies Program Review.

Strategy 1:

PLC and Collaboration - Teachers will receive training and collaboration on developing and providing high quality experiences to students in Practical Living and Vocational Studies.

Activity - PLC	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Specialty teachers and some core teachers will be involved in regular PLC meetings to receive training on the development and implementation of providing PL/CS experiences, classes, and extracurricular activities that will increase the frequency, exposure, and access of students to Practical Living and Career Studies.	Professional Learning	08/14/2013	05/23/2014	\$2000	District Funding	PLCS program review coordinator, principal, PLCS specialty teachers, and district consultant.
Activity - A/H Documentation and Feedback	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible

Teachers will document assignments and opportunities which are available to our students. PLCS Program Review Coordinator and principals will regularly review and provide feedback to teachers on these assignments and opportunities.	Professional Learning	08/14/2013	05/23/2014	\$0	No Funding Required	PLCS review coordinator and principals.
---	-----------------------	------------	------------	-----	---------------------	---

Activity - Collaboration	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
PLCS Program Review Director, specialty teachers, principal, and professionals will meet two to three times throughout the year to discuss, develop, and implement PLCS experiences and opportunities for students.	Professional Learning	08/14/2013	05/23/2014	\$5000	District Funding	Principal, PLCS Program review director, and specialty teachers.

Strategy 2:

Advisor/Advisee Program - Students will be organized into grade specific groups and assigned a teacher. Each advisory group will meet at least once a week. All advisors will individually meet with each student in their group twice a trimester to go over grades and attendance and see if the student has any needs they can assist with. Each advisor will complete the final check for student's ILPs. Each grade level has a separate, meaningful curriculum, that is appropriate and relevant for students. The focus of our freshman curriculum is on Character and Morality. The sophomore curriculum focuses on an extension of Character and Morality along with School Success skills. Junior curriculum emphasizes College and Career Readiness. The Senior curriculum focuses on Daily Living and Life Skills. All advisors integrate team building, leadership, and group support activities as well as other meaningful topics.
