Bright Arrow ~ Group Call

This call system will be used for emergency notifications only. We will not use the call system as a "reminder for events." When you receive a call from the Kenton County School District or school, you can be assured that it is important.

If you want to opt out of calls, you may go online to fill out the weather opt out on the Kenton County School District main website www.kenton.kyschools.us. Please know that we utilize this system anytime we have an emergency situation such as closing schools early.

Monday Folders

Graded papers and other information will come home each Monday in the Monday Folder. Please empty, check documents and sign what needs to be signed and return to school

Inclement Weather Early Dismissal Notice & School Closings

Please make sure you have informed your child's teacher of the plan shall we need to dismiss early by filling out the *Emergency School Closure Information Sheet*.

All Kenton County Schools operate on a uniform calendar. The district does not open certain schools while closing others for unsafe weather conditions.

In addition to announcing closings to the radio/television media, the Bright Arrow Automated calling system is used.

For the most immediate information, please follow the school district on Twitter @TheKCSD.
