440 Dudley Road  
Edgewood, Kentucky 41017  
(859) 341-8226

Dr. Angela Castleman, Principal

---

---

Dear Parents:

The time of the year is approaching when weather conditions are uncertain and could make it necessary to close schools or call for delays. The safety of our students is the sole basis for making these decisions.

All Kenton County Schools operate on a uniform calendar. We do not open certain schools while closing others for unsafe weather conditions.

In addition to announcing closings to the radio/television media, we also utilize Bright Arrow Automated Calling System. There have been several instances where this system has been the first to notify every one of closings or delays. However, you are urged to tune your radios and televisions to any one of the following stations for announcements regarding a school closing or delay. The stations will be using the school district's name (Kenton County School District).

WCPO/TV CH 9	WLW/AM 700	WSTR/TV CH 64
WLW/TV CH 5	WAKW/FM 93.3	WCKY/AM 1530
WKRC/TV CH 12	WOFX/FM 92.5	WKID/FM 95.9
WXIX/TV CH 19	WNKR/FM 106.5	CINCI.COM

I appreciate your cooperation and understanding during times when emergency closings or delays are necessary. Please complete the below information and return to your child's teacher as soon as possible.

Sincerely,

*Dr. Angela Castleman*

## EARLY DISMISSAL FOR SCHOOL YEAR 2018/2019

In the event of bad weather during the day, we might have to dismiss school early. It is vital that your child knows where to go in the event of early dismissal. Please complete this form (one per student) and return it to the teacher as soon as possible.

My child, \_\_\_\_\_, in \_\_\_\_\_'s class will:  
(one student per form)

- ride the bus home.
- ride the bus to \_\_\_\_\_.
- be a car rider with \_\_\_\_\_.

\_\_\_\_\_  
Parent's Signature
