Total Mark-up with annual estimated usage of 47,530 gallons	\$21,388.50	\$27,567.40	\$27,092.10
Lead Time upon receipt of order in days	1	5	5

Lowest and/or Best Evaluated Bid -

Note: Lykins Energy Solutions submitted a bid, but was not considered because they failed to provide the following required documents:

- Three Work References with name, address, phone, and e-mail address
- Safety Inspection Program for Tanks
- Proof of Required Insurance
- A short description of your delivery plan in order to avoid any school from being without Propane.
