*Dr. Henry Webb, Superintendent of Schools*

December 10, 2020

Hello Team Kenton,

Kenton County remains in the critical phase on the state dashboard which is 25+ positive COVID-19 cases per 100,000 people. Therefore, based on Governor Beshear's Executive Order, the Kenton County School District Elementary Schools will remain closed next week to in-person learning and will continue with synchronous virtual learning. The KCS D will continue to provide meal pick up and transportation services. Please review the district website for more information on these services or call your school with any questions

Reminder, winter break begins December 21st and instruction will resume on January 4<sup>th</sup>. The Governor's current executive order closes all KY schools to in-person learning until January 4<sup>th</sup>. We are expected to receive more information from the Governor and the Kentucky Department of Education very soon regarding January 4<sup>th</sup>. Please expect additional correspondence regarding our instructional model to be utilized on January 4<sup>th</sup> as soon as we get this additional information.

On behalf of the Kenton County School District I would like to wish everyone a safe and happy holiday season. Everyone has faced so many challenges and we are proud of the collaboration with students, staff, parents and community members to make the very best of this situation with circumstances beyond our control. We appreciate the unwavering commitment to our students and the flexibility and resiliency during the changes the district has faced during this global pandemic. Please enjoy this time with family and we look forward to new educational opportunities in 2021.

Thank you,

Dr. Henry Webb
