Dr. Henry Webb, Superintendent of Schools

December 3, 2020

Hello Team Kenton,

Kenton County remains in the “red/critical” phase with a rate of 52.1 COVID-19 cases per 100,000. Based on Governor Beshear’s Executive Order, the Kenton County School District Elementary Schools will remain closed to in-person learning and will continue with synchronous learning next week. The KCS D will continue to provide meal pick up and transportation services. Please review the district website for more information on these services or call your school with any questions. As a reminder, our secondary schools will be closed to in-person learning until January 4th per the governor’s order. Thank you to our amazing staff, students, parents and community members who continue to be supportive as we work together during this global pandemic. Team Kenton has been positive, courageous, and resilient during this unprecedented time and will we will continue to remain strong together.

Thank you,
Dr. Henry Webb

Kenton County Board of Education
