Dr. Henry Webb, Superintendent of Schools

December 16, 2020

Hello Team Kenton,

The Kenton County School District has received information from Governor Beshear's press conference along with a webinar with the Kentucky Department of Education, the Lieutenant Governor and the Kentucky Department of Public Health regarding the details of returning to school after winter break. We are currently waiting for additional guidance based on pending executive orders from the governor that may impact our return to in-person instruction after winter break. Once we have all of the information, communication will be forthcoming to all stakeholders with a plan for the Kenton County School District. Reminder, winter break begins on December 21st and school resumes on January 4th.

Team Kenton, we appreciate your continued patience during this global pandemic. Vaccines are now in in KY and we are optimistic that we can all return to some sense of normalcy in the near future. As we approach the holiday season, we give thanks for ongoing support from our students, parents, staff and community members.

Thank you,

Dr. Henry Webb
