Teacher Appreciation Week

Next week, May 6-10, is Teacher Appreciation Week!

Teachers change the lives of millions of children every day, and their work and impact extends far beyond the boundaries of the classroom.

Thank you to all of our amazing Kenton County Teachers!

Nurses Week

Next week we will also be celebrating our School Nurses! School nurses optimize student health and learning every day of the year. But, on National School Nurse Day, we take special time to celebrate and recognize the contributions that school nurses are making to the health and learning of our nation's 50 million children.

Thank you, nurses!
