

KENTON COUNTY SCHOOL DISTRICT (KCS D) Virtual Learning Center (VLC)

Virtual Learning Center- It is no longer necessary to have an application for our virtual learning center. **The Survey results from parents will be used as the selection for VL. If the survey was not completed then contact your child's school for additional information.** Parents are expected to provide the main support in the VL Model. Each school will provide a teacher of record to monitor, support to include grades, completion of work, tutoring, home visits, and adjustments to the curriculum. ARC meetings will need to be scheduled for students with disabilities to review and revise the IEP as it relates to this environment.
