## Complete this form to HELP Kenton Elementary receive funding to support academics!

The Kenton County School District will continue to provide students with free breakfast and lunch for the 2021-2022 school year, regardless of income. However, **it is imperative** that if your household would qualify for free- or reduced-price meals, **you still complete the *Free and Reduced-Price School Meals Application* for all students in your household**. By filling out this form, your child may receive additional benefits, and **the number of applications approved can affect how much funding schools receive to meet academic benchmarks.**
