## **Overview**

### **Plan Name**

CSIP Updates August 1, 2013

### **Plan Description**

Updated CSIP Goals and Plans with Progress Notes

## Goals Summary

The following is a summary of the goals encompassed in this plan. The details for each goal are available in the next section.

#	Goal Name	Goal Details	Goal Type	Total Funding
1	All students with disabilities will improve their reading proficiency	Objectives: 2 Strategies: 8 Activities: 12	Organizational	\$5500
2	All students at Summit View MS will increase reading and math proficiency percentages from 44.4% to 50.0%	Objectives: 1 Strategies: 3 Activities: 14	Organizational	\$27900
3	Tell Survey	Objectives: 1 Strategies: 5 Activities: 16	Organizational	\$47000
4	All students will have access to rigorous curriculum in Practical Living and Arts and Humanities at Summit View MS	Objectives: 1 Strategies: 1 Activities: 4	Organizational	\$0

## Goal 1: All students with disabilities will improve their reading proficiency

This plan includes progress notes which are at the very end of this document

### Measurable Objective 1:

collaborate to increase the percentage of proficient and distinguished students in reading among our students with disabilities from 7.9 to 17.1. by 06/07/2013 as measured by the K-PREP.

### Strategy 1:

7th Small Group - 7th grade students with reading disabilities participate in a small group for 40 minutes per day for reading instruction that focuses on reading comprehension, reading fluency, reading vocabulary development. This instruction is in addition to the Read 180 program these students also participate in daily. The students receive small group instruction within the small group when they go to the three areas of need; fluency, comprehension, vocabulary.

Research Cited: Read 180

Activity - Small Group Instruction	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
7th grade students with reading disabilities participate in a small group for 40 minutes per day for reading instruction that focuses on reading comprehension, reading fluency, reading vocabulary development. This instruction is in addition to the Read 180 program these students also participate in daily. The students receive small group instruction within the small group when they go to the three areas of need; fluency, comprehension, vocabulary. This small group instruction will occur during the second quarter and the fourth quarter of the year due to scheduling.	Direct Instruction	11/01/2012	06/07/2013	\$0	No Funding Required	Two 7th grade Special Education teachers

### Strategy 2:

RTI Groups - Response to Intervention groups are developed at each grade level and students are identified by their skill or knowledge level of reading using MAPS/Measure of using MAPS students are identified by their RIT scores and using KPREP scores the students are grouped by novice, apprentice, proficient or distinguished.

Research Cited: NWEA

Activity - RTI Groups	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
-----------------------	---------------	------------	----------	-------------------	-------------------	-------------------

**CSIP Updates August 1, 2013**

Summit View Middle School

Response to Intervention groups are developed at each grade level and students are identified by their skill or knowledge level of math or reading using MAPS/Measure of Academic Progress or KPREP Scores. using MAPS students are identified by their RIT scores and using KPREP scores the students are grouped by novice, apprentice, proficient or distinguished. The students are grouped by their level and for 30 minutes each day they receive skill building they can use to improve their abilities, skills or knowledge. The groups are re-evaluated each six to nine weeks and then the students are regrouped by a different content area or RIT level. Groups can also be re-evaluated by new assessment data from MAPS, Read 180 or other progress monitoring program.	Academic Support Program	08/15/2012	06/07/2013	\$0	No Funding Required	Administration and faculty
--	--------------------------	------------	------------	-----	---------------------	----------------------------

Activity - Professional Development	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will meet to learn additional skills and instructional strategies that will enhance student learning, Teachers will also develop knowledge in using DesCartes from NWEA and continue to analyze data.	Academic Support Program	08/15/2012	06/07/2013	\$0	No Funding Required	Administration

**Strategy 3:**

Research Based Programs - Language Arts teachers will implement Read 180, System 44, and/or Expert 21 in their Language Arts class. Read 180 for those students who score 2 years or more below grade level in reading based on MAP, Expert 21 for those that score 1 year below grade level in reading based on MAP, and System 44 will be used for students who have not mastered their phonetic reading skills.

Research Cited: Read 180, System 44 and Expert 21 researched based programs.

Activity - SRI / SPI Assessment	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Students in the Read 180, System 44, and the Expert 21 classes will be given the Scholastic Reading inventory each quarter to determine if the student is making growth in their reading skills	Academic Support Program	08/16/2012	06/07/2013	\$0	No Funding Required	Language Arts Teachers and Administration

Activity - Read 180 Data Monitoring	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will analyze the SPI and SRI reading scores each quarter to determine if a student is making progress in reading. The data provided will be in the areas of lexile growth, reading fluency, reading comprehension, and vocabulary development	Academic Support Program	08/16/2012	06/07/2013	\$0	No Funding Required	Language Arts Teachers and Administration

Activity - Springboard Program	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
--------------------------------	---------------	------------	----------	-------------------	-------------------	-------------------

## CSIP Updates August 1, 2013

Summit View Middle School

ELA teachers at each grade level will collaborate throughout the year with all schools in the district, district level consultants, and Springboard consultants to implement best practices, strategies and align curriculum in math and ELA	Academic Support Program	08/15/2012	06/07/2013	\$0	No Funding Required	Administration , ELA teachers
--	--------------------------	------------	------------	-----	---------------------	-------------------------------

### Strategy 4:

ESS - Students scoring Novice or Apprentice on the KPREP will be identified in skill areas of reading and stay after school twice a week for skill building. The math and reading skills identified for remediation will come from MAP DesCartes according to RIT number.

Research Cited: NWEA

Activity - Student Identification	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will identify students needing math and reading based on MAP scores.	Academic Support Program	01/10/2013	06/07/2013	\$3500	General Fund	Administration , ESS Teachers

Activity - Lesson Planning	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
ESS teachers will plan lessons in response to the MAP scores of students in ESS	Academic Support Program	01/10/2013	06/07/2013	\$0	No Funding Required	ESS Teachers and ESS Coordinator

### Strategy 5:

Professional Development - Teachers will participate in professional development of researched based strategies for working with students with special needs.

Research Cited: A Guide to the Kentucky System of Interventions

Activity - Accommodations & Modifications	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will receive PD in research based Accommodations and Modifications	Professional Learning	08/15/2012	06/07/2013	\$0	No Funding Required	Administration

### Strategy 6:

Data Analysis - Teachers will analyze student achievement for students with disabilities, including MAP data, student work, assessments to determine instructional changes and improvements

Research Cited: Best Practices

Activity - PLCs	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Data Analysis of student work samples, MAP data, and KPREP during PLCs to determine students needing remediation.	Other	08/15/2012	06/07/2013	\$0	No Funding Required	Teachers and Administraton

**Measurable Objective 2:**

collaborate to Improve our College Readiness as demonstrated on the Explore Results by 06/07/2013 as measured by KPREP results.

**Strategy 1:**

7th Grade Students Take Explore - Students in 7th grade will take the Explore test in the fall. Teachers will analyze the results to identify areas of weakness in Reading, English, Math, and Science to improve instruction and address weaknesses in RTI groups or class instruction.

Research Cited: College and Career Readiness Board

Activity - Explore Give to 7th Gr Students	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
7th grade students will take the Explore Test in the fall so that teachers can analyze weaknesses in English, Reading, Math, and Science.	Academic Support Program	09/04/2012	06/07/2013	\$2000	General Fund	Administration and Counselors

**Strategy 2:**

Research Based Programs - ELA and Math teachers will implement Springboard College Readiness in their Language Arts and math classes to implement best practices and higher level thinking skills.

Research Cited: ACT

Activity - Springboard	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
ELA teachers at each grade level will collaborate throughout the year with all schools in the district, district level consultants, and Springboard consultants to implement best practices, strategies and align curriculum in math and ELA	Academic Support Program	08/15/2012	06/07/2013	\$0	No Funding Required	Administration, ELA and Math Teachers

**Goal 2: All students at Summit View MS will increase reading and math proficiency percentages from 44.4% to 50.0%**

This plan includes progress notes which are at the very end of this document

**Measurable Objective 1:**

collaborate to increase the average combined reading and math KPREP Proficiency scores from 44.4% in 2012 to 50.0% in 2013 by 06/07/2013 as measured by School report card delivery targets.

**Strategy 1:**

RTI -Response to Intervention - Response to Intervention groups is developed at each grade level and students are identified by their skill or knowledge level of math or reading using MAPS/Measure of Academic Progress or KPREP Scores. using MAPS students are identified by their RIT scores and using KPREP scores the students are grouped by novice, apprentice, proficient or distinguished. The students are grouped by their level and for 30 minutes each day they receive skill building they can

use to improve their abilities, skills or knowledge. The groups are re-evaluated each six to nine weeks and then the students are regrouped by a different content area or RIT level. Groups can also be re-evaluated by new assessment data from MAPS, Read 180 or other progress monitoring program. .

Research Cited: Do The Math Now research, Read 180 strategies, Compass Learning Strategies, NWEA

Activity - Male Reading RTI Group	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Using the KPREP results from 2011-12 a group of male students who are reading at the Apprentice level will be identified for an all male reading group.	Academic Support Program	01/03/2013	06/07/2013	\$100	General Fund	Administration and Media Specialist
Activity - MAP data for Math	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Using MAP data students below the 35%ile in 6th, 7th, and 8th will be identified and place in an RTI group that will utilize the Do the Math Now curriculum for remediation	Academic Support Program	08/16/2012	06/07/2013	\$12000	School Council Funds	Administration and faculty
Activity - Data Analysis	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Analyze student achievement by gap groups (KPREP, MAP, Explore) to determine student growth and students failing to make growth in order to develop a plan for matching student with interventions.	Policy and Process	08/15/2012	06/07/2013	\$0	No Funding Required	Administration , Counselors, Teachers and other staff

**Strategy 2:**

Job Embedded Training - Teachers will receive 45-60 minutes of job embedded training or professional development for a minimum of three times a week.

Research Cited: Middle School Concept, National Comprehensive Center for Teacher Quality,

Activity - Teaching Reading Strategies	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers in content areas other that Language Arts will receive training on developing reading comprehension, reading fluency, and vocabulary development in their RTI groups and classrooms.	Professional Learning	01/03/2013	06/07/2013	\$0	No Funding Required	Administration
Activity - Instructional Assistant Training	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Instructional assistants will receive professional development in READ 180, system 44 and reading strategies that will enhance student learning in the classroom.	Professional Learning	09/12/2012	12/07/2012	\$0	No Funding Required	Administration
Activity - Teacher MAP Training	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible

## CSIP Updates August 1, 2013

Summit View Middle School

Teachers will be trained in MAP; using student goal setting plans, DesCartes, RIT score analysis, and projected growth proficiency analysis.	Professional Learning	08/28/2012	06/07/2013	\$0	No Funding Required	Administration , Counselors,
--	-----------------------	------------	------------	-----	---------------------	------------------------------

Activity - PLC Meetings	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers from all academic areas, including Practical Living, Arts and Humanities, and Special Education will meet monthly with the District Curriculum Consultants to discuss the best practices in instruction, support programs and assessment.	Professional Learning	08/16/2012	06/07/2013	\$0	No Funding Required	Teachers, Administration

Activity - Data Analysis	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers at 6th, 7th, and 8th grades will analyze KPREP data, MAP data and Explore data to identify students who are not proficient or distinguished in KPREP, at or above grade level in MAP or at or below benchmark on Explore.	Academic Support Program	08/15/2012	06/07/2013	\$0	No Funding Required	Administration and teachers

### Strategy 3:

Researched Based Programs - 6th, 7th, and 8th grade teachers in Language Arts and Math will implement researched based programs in their classes.

Research Cited: Scholastic Reading, Scholastic Math

Activity - Springboard Language Arts and Math	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Math and ELA teachers at each grade level will collaborate throughout the year with all schools in the district, district level consultants, and Springboard consultants to implement best practices, strategies and align curriculum in math and ELA	Academic Support Program	08/15/2012	06/07/2013	\$0	No Funding Required	Math and Language Arts Teachers

Activity - Scholastic Reading	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Language Arts teachers will implement Read 180, System 44, and/or Expert 21 in their Language Arts class. Read 180 for those students who score 2 years or more below grade level in reading based on MAP, Expert 21 for those that score 1 year below grade level in reading based on MAP, and System 44 will be used for students who have not mastered their phonetic reading skills	Academic Support Program	08/16/2012	06/07/2013	\$13000	School Council Funds	Language Arts teachers, Administration

Activity - ESS	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Students who score novice or apprentice on the KPREP test will be identified to receive extended school services twice a week after school. During ESS students will receive math and reading remediation.	Academic Support Program	01/10/2013	06/07/2013	\$2800	General Fund	Administration , ESS teachers

Activity - Analysis of Student Work	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible

Teachers will collaborate to determine common misconceptions of student work to inform next steps in instruction.	Academic Support Program	08/15/2012	06/07/2013	\$0	No Funding Required	Administration
<b>Activity - LDC Modules</b>	<b>Activity Type</b>	<b>Begin Date</b>	<b>End Date</b>	<b>Resource Assigned</b>	<b>Source Of Funding</b>	<b>Staff Responsible</b>
Teachers will collaborate with other teachers in the district and district consultants in the development and implementation in the classroom of LDC/Literary modules.	Academic Support Program	08/15/2012	06/07/2013	\$0	No Funding Required	Teachers and Administration
<b>Activity - MDC Modules</b>	<b>Activity Type</b>	<b>Begin Date</b>	<b>End Date</b>	<b>Resource Assigned</b>	<b>Source Of Funding</b>	<b>Staff Responsible</b>
Teachers will collaborate with other teachers in the district and district consultants in the development and implementation in the classroom of MDC/math modules.	Academic Support Program	08/15/2012	06/07/2013	\$0	No Funding Required	Administration, teachers

### Goal 3: Tell Survey

This plan includes progress notes which are at the very end of this document

**Measurable Objective 1:**

collaborate to increase the percentage of teachers who agree that there is time available to collaborate with colleagues from 31.4% in 2011 to 68% by 08/30/2013 as measured by the 2013 TELL Survey.

**Strategy 1:**

Collaboration - Administration will provide opportunities for teachers to meet and collaborate for school improvement; grade level PLCs with consultants, team meetings with school counseling department, Student Assistance team, team leaders with administration and counselors with administration. Collaboration meetings will center on student learning, student behavior, school data, professional practices, effective school improvement strategies, school governance, and professional development.

Research Cited: Standards and Indicators for School Improvement

<b>Activity - Team Leader Meetings</b>	<b>Activity Type</b>	<b>Begin Date</b>	<b>End Date</b>	<b>Resource Assigned</b>	<b>Source Of Funding</b>	<b>Staff Responsible</b>
Every week the team leaders will meet with Administration to discuss schedules, research, and data that will support student learning. During the team leader meeting there will be an agenda developed that will include; upcoming events and timelines, research articles or information about effective school practices, school data (discipline, school environment, community involvement) and problem solving for Summit View MS.	Policy and Process	08/15/2012	06/07/2013	\$0	No Funding Required	Administration and Team Leaders
<b>Activity - PLCs</b>	<b>Activity Type</b>	<b>Begin Date</b>	<b>End Date</b>	<b>Resource Assigned</b>	<b>Source Of Funding</b>	<b>Staff Responsible</b>

## CSIP Updates August 1, 2013

Summit View Middle School

Each week the grade level content teachers will meet in PLCs to discuss curriculum, learning targets, formative assessments, embedded assessments, and instructional strategies.	Academic Support Program	08/15/2012	06/07/2013	\$0	No Funding Required	Administration
--	--------------------------	------------	------------	-----	---------------------	----------------

Activity - Implementation of RTI/ SAT team	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers, along with the school psychologist and administration will meet as the RTI team bi-monthly.	Academic Support Program	09/06/2012	06/07/2013	\$0	No Funding Required	Administration, School Psychologist, Special Education Lead Teacher, FRYSC

Activity - TELL Survey 2013	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
100% of the staff and administrators will complete the 2013 TELL survey which would be up from 2010 at 74.4%	Other	03/04/2013	06/07/2013	\$0	No Funding Required	Administration

Activity - Committee Chairpersons	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will collaborate on SBDM standing committees to provide input and recommendations for school activities, scheduling, professional development, and school discipline and safety and problem solving for SVMS.	Policy and Process	08/15/2012	06/07/2013	\$0	No Funding Required	Committee Chairperson, Administration

### Strategy 2:

Student Conduct Best Practices - Teachers in collaboration with administration, counselors and the RTI team will implement the best practices in managing student behavior, both positive and negative.

Research Cited: KY Center for PBIS

Activity - PBIS	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will develop a Positive Behavior intervention plan that involves all student and staff at SVMS, a kick off assembly, incentives and professional development.	Behavioral Support Program	08/15/2012	06/07/2013	\$2000	General Fund	Administration, PBIS Committee

Activity - Alternate to Suspension	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Implement an ICE room with procedures to follow for students who do not follow the Code of Acceptable Behavior at level 2 and level 3 misbehaviors.	Behavioral Support Program	08/15/2012	06/07/2013	\$42000	School Council Funds	Administration

**CSIP Updates August 1, 2013**

Summit View Middle School

Activity - Discipline Data Analysis	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Team Leaders and SBDM will analyze data from reports generated from Infinite Campus to determine policies and procedures.	Policy and Process	08/15/2012	06/07/2013	\$0	No Funding Required	Administration , PBIS Committee, SBDM Standing Committee (Discipline and Culture)

**Strategy 3:**

Teacher Leadership Initiative - Teachers in collaboration with administration will develop opportunities for teachers to become leaders at Summit View Middle School.

Research Cited: Educational Leadership

Activity - Team Leaders	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Implementation of a team leader committee that meets with the administration weekly to discuss process	Policy and Process	08/15/2012	06/07/2013	\$2800	General Fund	Administration , SBDM

Activity - Teachers Learning Leadership	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will have the opportunity to develop leadership skills through Resource teachers for student teaching and practicum students, Principal for the day and administrative development initiatives provided by universities or KDE.	Professional Learning	08/15/2012	06/07/2013	\$200	General Fund	Administration

Activity - Committee Chairperson	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will have the opportunity to lead SBDM standing committees to provide input and recommendations for school activities, scheduling, professional development, and school discipline and safety and problem solving for SVMS.	Policy and Process	08/15/2012	06/07/2013	\$0	No Funding Required	Committee Chairperson, Administration

**Strategy 4:**

Differentiate Professional Development - Teachers will have the opportunity to give input in their professional development by completing a survey of their professional development needs. Administration will compile the results of the survey and develop professional development for staff at SVMS.

Research Cited: Educational Leadership

Activity - Staff Survey	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible

## CSIP Updates August 1, 2013

Summit View Middle School

Teachers will have the opportunity to give input for their professional development by completing a survey of their professional development needs. Administration will compile the results of the survey and develop professional development for staff at SVMS.	Professional Learning	02/01/2013	06/07/2013	\$0	No Funding Required	Administration , SBDM Standing Committee (School Culture)
---	-----------------------	------------	------------	-----	---------------------	---

Activity - District Professional Development	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will have opportunities to attend the District PGA, new teacher trainings, or other district PD opportunities to met the variety of PD needs requested by staff.	Professional Learning	08/06/2012	06/07/2013	\$0	No Funding Required	Administration

### Strategy 5:

Family Involvement - Summit View MS administration will collaborate with parents, PTSA, and teachers to develop ways to engage families in school.

Research Cited: U.S. Department of Education

Activity - Research	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
SBDM and Team leaders will bring a research article with strategies to develop family involvement for SVMS and create a list of strategies for SVMS to increase the parent involvement at school.	Parent Involvement	01/22/2013	06/07/2013	\$0	No Funding Required	Administraton , SBDM, Team Leaders

Activity - Student Led Conferences	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Summit ViewMS will hold conferences with parents, but led by students and facilitated by teachers.	Parent Involvement	08/15/2012	06/07/2013	\$0	No Funding Required	Administration , teachers, FRYSC

Activity - Data Night	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Parents and students are invited to a night of learning the details, definitions and explanations of the data specific for their students; including MAP, ILP, KPREP, and academics.	Parent Involvement	01/03/2013	06/07/2013	\$0	No Funding Required	Administration , Counselors

## Goal 4: All students will have access to rigorous curriculum in Practical Living and Arts and Humanities at Summit View MS

This plan includes progress notes which are at the very end of this document

### Measurable Objective 1:

collaborate to increase the percentage of Arts and Humanities and PLCS Program Review Standards that are proficient from 83.7% in 2012 to 85.3% by 10/01/2013 as measured by the Program Review Evidence Index.

**Strategy 1:**

Researched Best Practices - Teachers in all grades and all content areas provide opportunities for integration between the arts and other content area through best practices.

Research Cited: Kentucky Program Review

Activity - ILPs	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will receive training in student ILP development through job embedded training sessions.	Professional Learning	08/15/2012	06/07/2013	\$0	No Funding Required	Administration
Activity - Schedule Rotation	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
All students will have access to practical living, vocational studies, arts and humanities classes on an equal basis. School schedule is on quarters and every quarter students will participate in a minimum of one PL, Voc., A/H class.	Other	08/15/2012	06/07/2013	\$0	No Funding Required	Administration and Counselors
Activity - Professional Dev	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers receive and implement professional development to enhance the integration of the Arts and Humanities, Practical Living and Vocational studies into other content areas.	Professional Learning	08/15/2012	10/01/2013	\$0	No Funding Required	Administration
Activity - PLC's	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will have the opportunity to collaborate in order to find evidence that supports the Program Review.	Academic Support Program	08/15/2012	10/01/2013	\$0	No Funding Required	Administration

## Activity Summary by Funding Source

Below is a breakdown of your activities by funding source

### General Fund

Activity Name	Activity Description	Activity Type	Begin Date	End Date	Resource Assigned	Staff Responsible
Male Reading RTI Group	Using the KPREP results from 2011-12 a group of male students who are reading at the Apprentice level will be identified for an all male reading group.	Academic Support Program	01/03/2013	06/07/2013	\$100	Administration and Media Specialist
Team Leaders	Implementation of a team leader committee that meets with the administration weekly to discuss process	Policy and Process	08/15/2012	06/07/2013	\$2800	Administration , SBDM
ESS	Students who score novice or apprentice on the KPREP test will be identified to receive extended school services twice a week after school. During ESS students will receive math and reading remediation.	Academic Support Program	01/10/2013	06/07/2013	\$2800	Administration , ESS teachers
Explore Give to 7th Gr Students	7th grade students will take the Explore Test in the fall so that teachers can analyze weaknesses in English, Reading, Math, and Science.	Academic Support Program	09/04/2012	06/07/2013	\$2000	Administration and Counselors
Teachers Learning Leadership	Teachers will have the opportunity to develop leadership skills through Resource teachers for student teaching and practicum students, Principal for the day and administrative development initiatives provided by universities or KDE.	Professional Learning	08/15/2012	06/07/2013	\$200	Administration
PBIS	Teachers will develop a Positive Behavior intervention plan that involves all student and staff at SVMS, a kick off assembly, incentives and professional development.	Behavioral Support Program	08/15/2012	06/07/2013	\$2000	Administration , PBIS Committee
Student Identification	Teachers will identify students needing math and reading based on MAP scores.	Academic Support Program	01/10/2013	06/07/2013	\$3500	Administration , ESS Teachers
<b>Total</b>					\$13400	

### School Council Funds

Activity Name	Activity Description	Activity Type	Begin Date	End Date	Resource Assigned	Staff Responsible
MAP data for Math	Using MAP data students below the 35%ile in 6th, 7th, and 8th will be identified and place in an RTI group that will utilize the Do the Math Now curriculum for remediation	Academic Support Program	08/16/2012	06/07/2013	\$12000	Administration and faculty

## CSIP Updates August 1, 2013

Summit View Middle School

Scholastic Reading	Language Arts teachers will implement Read 180, System 44, and/or Expert 21 in their Language Arts class. Read 180 for those students who score 2 years or more below grade level in reading based on MAP, Expert 21 for those that score 1 year below grade level in reading based on MAP, and System 44 will be used for students who have not mastered their phonetic reading skills	Academic Support Program	08/16/2012	06/07/2013	\$13000	Language Arts teachers, Administration
Alternate to Suspension	Implement an ICE room with procedures to follow for students who do not follow the Code of Acceptable Behavior at level 2 and level 3 misbehaviors.	Behavioral Support Program	08/15/2012	06/07/2013	\$42000	Administration
<b>Total</b>					<b>\$67000</b>	

### No Funding Required

Activity Name	Activity Description	Activity Type	Begin Date	End Date	Resource Assigned	Staff Responsible
Analysis of Student Work	Teachers will collaborate to determine common misconceptions of student work to inform next steps in instruction.	Academic Support Program	08/15/2012	06/07/2013	\$0	Administration
Teacher MAP Training	Teachers will be trained in MAP; using student goal setting plans, DesCartes, RIT score analysis, and projected growth proficiency analysis.	Professional Learning	08/28/2012	06/07/2013	\$0	Administration, Counselors,
Discipline Data Analysis	Team Leaders and SBDM will analyze data from reports generated from Infinite Campus to determine policies and procedures.	Policy and Process	08/15/2012	06/07/2013	\$0	Administration, PBIS Committee, SBDM Standing Committee (Discipline and Culture)
Schedule Rotation	All students will have access to practical living, vocational studies, arts and humanities classes on an equal basis. School schedule is on quarters and every quarter students will participate in a minimum of one PL, Voc., A/H class.	Other	08/15/2012	06/07/2013	\$0	Administration and Counselors
Instructional Assistant Training	Instructional assistants will receive professional development in READ 180, system 44 and reading strategies that will enhance student learning in the classroom.	Professional Learning	09/12/2012	12/07/2012	\$0	Administration
PLCs	Data Analysis of student work samples, MAP data, and KPREP during PLCs to determine students needing remediation.	Other	08/15/2012	06/07/2013	\$0	Teachers and Administration
Data Analysis	Analyze student achievement by gap groups (KPREP, MAP, Explore) to determine student growth and students failing to make growth in order to develop a plan for matching student with interventions.	Policy and Process	08/15/2012	06/07/2013	\$0	Administration, Counselors, Teachers and other staff

**CSIP Updates August 1, 2013**

Summit View Middle School

Springboard Language Arts and Math	Math and ELA teachers at each grade level will collaborate throughout the year with all schools in the district, district level consultants, and Springboard consultants to implement best practices, strategies and align curriculum in math and ELA	Academic Support Program	08/15/2012	06/07/2013	\$0	Math and Language Arts Teachers
PLCs	Each week the grade level content teachers will meet in PLCs to discuss curriculum, learning targets, formative assessments, embedded assessments, and instructional strategies.	Academic Support Program	08/15/2012	06/07/2013	\$0	Administration
Springboard Program	ELA teachers at each grade level will collaborate throughout the year with all schools in the district, district level consultants, and Springboard consultants to implement best practices, strategies and align curriculum in math and ELA	Academic Support Program	08/15/2012	06/07/2013	\$0	Administration, ELA teachers
Data Night	Parents and students are invited to a night of learning the details, definitions and explanations of the data specific for their students; including MAP, ILP, KPREP, and academics.	Parent Involvement	01/03/2013	06/07/2013	\$0	Administration, Counselors
SRI / SPI Assessment	Students in the Read 180, System 44, and the Expert 21 classes will be given the Scholastic Reading inventory each quarter to determine if the student is making growth in their reading skills	Academic Support Program	08/16/2012	06/07/2013	\$0	Language Arts Teachers and Administration
Professional Dev	Teachers receive and implement professional development to enhance the integration of the Arts and Humanities, Practical Living and Vocational studies into other content areas.	Professional Learning	08/15/2012	10/01/2013	\$0	Administration
Read 180 Data Monitoring	Teachers will analyze the SPI and SRI reading scores each quarter to determine if a student is making progress in reading. The data provided will be in the areas of lexile growth, reading fluency, reading comprehension, and vocabulary development	Academic Support Program	08/16/2012	06/07/2013	\$0	Language Arts Teachers and Administration
Teaching Reading Strategies	Teachers in content areas other than Language Arts will receive training on developing reading comprehension, reading fluency, and vocabulary development in their RTI groups and classrooms.	Professional Learning	01/03/2013	06/07/2013	\$0	Administration
Committee Chairperson	Teachers will have the opportunity to lead SBDM standing committees to provide input and recommendations for school activities, scheduling, professional development, and school discipline and safety and problem solving for SVMS.	Policy and Process	08/15/2012	06/07/2013	\$0	Committee Chairperson, Administration
Accommodations & Modifications	Teachers will receive PD in research based Accommodations and Modifications	Professional Learning	08/15/2012	06/07/2013	\$0	Administration
Research	SBDM and Team leaders will bring a research article with strategies to develop family involvement for SVMS and create a list of strategies for SVMS to increase the parent involvement at school.	Parent Involvement	01/22/2013	06/07/2013	\$0	Administration, SBDM, Team Leaders

**CSIP Updates August 1, 2013**

Summit View Middle School

Professional Development	Teachers will meet to learn additional skills and instructional strategies that will enhance student learning, Teachers will also develop knowledge in using DesCartes from NWEA and continue to analyze data.	Academic Support Program	08/15/2012	06/07/2013	\$0	Administration
MDC Modules	Teachers will collaborate with other teachers in the district and district consultants in the development and implementation in the classroom of MDC/math modules.	Academic Support Program	08/15/2012	06/07/2013	\$0	Administration, teachers
Data Analysis	Teachers at 6th, 7th, and 8th grades will analyze KPREP data, MAP data and Explore data to identify students who are not proficient or distinguished in KPREP, at or above grade level in MAP or at or below benchmark on Explore.	Academic Support Program	08/15/2012	06/07/2013	\$0	Administration and teachers
ILPs	Teachers will receive training in student ILP development through job embedded training sessions.	Professional Learning	08/15/2012	06/07/2013	\$0	Administration
Student Led Conferences	Summit ViewMS will hold conferences with parents, but led by students and facilitated by teachers.	Parent Involvement	08/15/2012	06/07/2013	\$0	Administration, teachers, FRYSC
TELL Survey 2013	100% of the staff and administrators will complete the 2013 TELL survey which would be up from 2010 at 74.4%	Other	03/04/2013	06/07/2013	\$0	Administration
Lesson Planning	ESS teachers will plan lessons in response to the MAP scores of students in ESS	Academic Support Program	01/10/2013	06/07/2013	\$0	ESS Teachers and ESS Coordinator
LDC Modules	Teachers will collaborate with other teachers in the district and district consultants in the development and implementation in the classroom of LDC/Literary modules.	Academic Support Program	08/15/2012	06/07/2013	\$0	Teachers and Administration
PLC's	Teachers will have the opportunity to collaborate in order to find evidence that supports the Program Review.l	Academic Support Program	08/15/2012	10/01/2013	\$0	Administration
Small Group Instruction	7th grade students with reading disabilities participate in a small group for 40 minutes per day for reading instruction that focuses on reading comprehension, reading fluency, reading vocabulary development. This instruction is in addition to the Read 180 program these students also participate in daily. The students receive small group instruction within the small group when they go to the three areas of need; fluency, comprehension, vocabulary. This small group instruction will occur during the second quarter and the fourth quarter of the year due to scheduling.	Direct Instruction	11/01/2012	06/07/2013	\$0	Two 7th grade Special Education teachers

**CSIP Updates August 1, 2013**

Summit View Middle School

RTI Groups	Response to Intervention groups are developed at each grade level and students are identified by their skill or knowledge level of math or reading using MAPS/Measure of Academic Progress or KPREP Scores. using MAPS students are identified by their RIT scores and using KPREP scores the students are grouped by novice, apprentice, proficient or distinguished. The students are grouped by their level and for 30 minutes each day they receive skill building they can use to improve their abilities, skills or knowledge. The groups are re-evaluated each six to nine weeks and then the students are regrouped by a different content area or RIT level. Groups can also be re-evaluated by new assessment data from MAPS, Read 180 or other progress monitoring program.	Academic Support Program	08/15/2012	06/07/2013	\$0	Administration and faculty
Implementation of RTI/ SAT team	Teachers, along with the school psychologist and administration will meet as the RTI team bi-monthly.	Academic Support Program	09/06/2012	06/07/2013	\$0	Administration, School Psychologist, Special Education Lead Teacher, FRYSC
Committee Chairpersons	Teachers will collaborate on SBDM standing committees to provide input and recommendations for school activities, scheduling, professional development, and school discipline and safety and problem solving for SVMS.	Policy and Process	08/15/2012	06/07/2013	\$0	Committee Chairperson, Administration
Team Leader Meetings	Every week the team leaders will meet with Administration to discuss schedules, research, and data that will support student learning. During the team leader meeting there will be an agenda developed that will include; upcoming events and timelines, research articles or information about effective school practices, school data (discipline, school environment, community involvement) and problem solving for Summit View MS.	Policy and Process	08/15/2012	06/07/2013	\$0	Administration and Team Leaders
Staff Survey	Teachers will have the opportunity to give input for their professional development by completing a survey of their professional development needs. Administration will compile the results of the survey and develop professional development for staff at SVMS.	Professional Learning	02/01/2013	06/07/2013	\$0	Administration, SBDM Standing Committee (School Culture)
Springboard	ELA teachers at each grade level will collaborate throughout the year with all schools in the district, district level consultants, and Springboard consultants to implement best practices, strategies and align curriculum in math and ELA	Academic Support Program	08/15/2012	06/07/2013	\$0	Administration, ELA and Math Teachers
District Professional Development	Teachers will have opportunities to attend the District PGA, new teacher trainings, or other district PD opportunities to met the variety of PD needs requested by staff.	Professional Learning	08/06/2012	06/07/2013	\$0	Administration

**CSIP Updates August 1, 2013**

Summit View Middle School

PLC Meetings	Teachers from all academic areas, including Practical Living, Arts and Humanities, and Special Education will meet monthly with the District Curriculum Consultants to discuss the best practices in instruction, support programs and assessment.	Professional Learning	08/16/2012	06/07/2013	\$0	Teachers, Administration
					<b>Total</b>	\$0

## Progress Notes

Type	Name	Status	Comments	Created On	Created By
Objective	collaborate to increase the percentage of proficient and distinguished students in reading among our students with disabilities from 7.9 to 17.1. by 06/07/2013 as measured by the K-PREP.	Not Met	During May, June, and July teachers continued to collaborate with content teachers across the district and curriculum coaches to refine instructional strategies, best practices and curriculum maps that will increase the percentage of students at proficient and distinguish levels.	July 31, 2013	KC Ratliff
Strategy	ESS		During the fall of 2013-14 school year teachers will analyze MAP, SPI and SRI scores to determine which students would qualify for ESS in reading and math skills.	July 31, 2013	KC Ratliff
Strategy	Professional Development		Teachers in all content areas will continue to receive professional development in reading strategies in the content areas to increase the reading levels of all students, including special education students.	July 31, 2013	KC Ratliff
Strategy	RTI Groups		During the summer months the Administration developed RTI groups based on the RIT scores from students' spring MAP reading scores. Students will begin the school year in RTI groups that are based on their RIT bands. RTI groups will continue to implement best practices in reading and instructional strategies that enhance reading skills.	July 31, 2013	KC Ratliff
Strategy	Data Analysis		Teachers will be using PLC time to analyze data from students to drive instruction in the classroom.	July 31, 2013	KC Ratliff
Strategy	7th Small Group		Students receiving small group instruction beginning in the 7th grade will continue to receive small group instruction in the 8th grade to work on reading skills.	July 31, 2013	KC Ratliff
Strategy	Research Based Programs		Teachers in reading and math received professional development during the summer that focused on Springboard strategies, MDC, LDC and best practices so that students can grow in the area of college and career readiness. New teachers hired were also trained in the Springboard practices and strategies to use in lessons	July 31, 2013	KC Ratliff
Strategy	Research Based Programs		Teachers in reading and math received professional development during the summer that focused on Springboard strategies, MDC, LDC and best practices so that students can grow in the area of college and career readiness. New teachers hired were also trained in the Springboard practices and strategies to use in lessons.	July 31, 2013	KC Ratliff
Activity	Lesson Planning	Completed	Teachers developed lesson plans during the 2012-13 ESS after school program. Lesson plans focused on the skills needed by students in ESS.	July 31, 2013	KC Ratliff
Activity	Lesson Planning	In Progress	Teachers in the ESS program are continuing to develop lesson plans that address the math and reading skill level of students in the ESS program based on MAP scores.	May 01, 2013	KC Ratliff

# CSIP Updates August 1, 2013

Summit View Middle School

Activity	Read 180 Data Monitoring	Completed	Students in the RED 180 program were assessed by the Scholastic Reading Inventory and those students determined to meet the success level were scheduled for Expert 21 in the 2013-14 school year. Those students in the Expert 21 class who met the reading lexile were scheduled for Springboard classes in the 213-14 school year.	July 31, 2013	KC Ratliff
Activity	Read 180 Data Monitoring	In Progress	Data from the READ 180 program are being used to determine placement for students who are making growth and can move from READ 180 to Expert 21 for the following year and determine success rate of the program.	May 01, 2013	KC Ratliff
Activity	Accommodations & Modifications	Completed	All teachers and instructional assistants received professional development in the spring and summer that included the development of accommodations and modifications for special education students.	July 31, 2013	KC Ratliff
Activity	Accommodations & Modifications	In Progress	Training is scheduled for special education teachers and Instructional Assistants to help make accommodations for specially designed instruction and classroom assignments more learning for the student in all areas of content.	May 01, 2013	KC Ratliff
Activity	Accommodations & Modifications	In Progress	Training is scheduled for special education teachers and Instructional Assistants to help make accommodations for specially designed instruction and classroom assignments more learning for the student in all areas of content.	May 01, 2013	KC Ratliff
Activity	RTI Groups	In Progress	During the summer months the administration created RTI groups at each grade level based on spring MAP reading scores. RTI groups will focus on reading for students with disabilities. The RTI groups will be restructured when the Fall MAP scores and the Winter MAP scores become available. Teachers will analyze MAP results and determine instructional needs of students.	July 31, 2013	KC Ratliff
Activity	RTI Groups	In Progress	The RTI groups will continue to be defined in clear needs of students so that reteaching of skills can be addressed. RTI groups will also include a flexible component so that times during the days can be utilized more efficiently and the needs of students needing math can be addressed.	May 01, 2013	KC Ratliff
Activity	Professional Development	In Progress	Since May all teachers have continued to participate in professional development to develop and refine instructional strategies ,best practices and core content. Special Education teachers are going to focus their content on either reading or math for the 2013-14 school year.	July 31, 2013	KC Ratliff
Activity	Professional Development	In Progress	The professional development plan for 2013-2014 school year has been developed and will include PD sessions that address the learning while special education teachers are giving accommodations. The PD plan will also include more training in using content programs in the classroom so that we can utilize content specific special education teachers.	May 01, 2013	KC Ratliff
Activity	Springboard	In Progress	During May, June, and July math and reading teachers collaborated with teachers across the district to refine instructional strategies, best practices, and supplemental materials to be used during the 2013-14 school year to increase college and career readiness of students.	July 31, 2013	KC Ratliff

**CSIP Updates August 1, 2013**

Summit View Middle School

Activity	Springboard	In Progress	Teachers are continuing to receive professional development in the area of Springboard Content so that students are able to grow in the area of college and career readiness using the common core standards.	May 01, 2013	KC Ratliff
Activity	Springboard	In Progress	Teachers are continuing to receive professional development in the area of Springboard Content so that students are able to grow in the area of college and career readiness using the common core standards.	May 01, 2013	KC Ratliff
Activity	Student Identification	In Progress	For the 2013-14 school year additional students will be identified for ESS services by using MAP, SPI, SRI scores. The success of the students will be monitored by using additional MAP, SPI and SRI results of testing.	July 31, 2013	KC Ratliff
Activity	Student Identification	In Progress	Students identified by MAP scores in reading and math were registered for ESS after school program that concentrated on skill development in reading and math.	May 01, 2013	KC Ratliff
Activity	Explore Give to 7th Gr Students	Completed	Summit View Middle School will again give the 7th grade the Explore test.	July 31, 2013	KC Ratliff
Activity	Explore Give to 7th Gr Students	Completed	Results from the 7th Explore were analyzed by the 7th grade teachers and content analysis was also analyzed so that the teachers were able to take content and put in there curriculum map or classroom lessons for teaching or reteaching Explore material.	May 01, 2013	KC Ratliff
Activity	SRI / SPI Assessment	In Progress	Students in all grade levels will be assessed for their lexile score in the fall of 2013 using the Scholastic Reading Inventory and Scholastic Phonimic Inventory. Teachers will analyze the results and determine which students will need ESS services during the 2013-14 school year. Teachers will reassess the students every quarter to determine growth of their lexile levels.	July 31, 2013	KC Ratliff
Activity	SRI / SPI Assessment	In Progress	Teachers have given a spring assessment for SPI and SRI. Scores will be used to determine growth and program effectiveness.	May 01, 2013	KC Ratliff
Activity	Small Group Instruction	In Progress	Students in the 7th grade receiving small group instruction for reading will continue to receive reading interventions in small group in the 8th grade for the 2013-14 schools year. Small Group instruction will focus on reading skills and strategies.	July 31, 2013	KC Ratliff
Activity	Small Group Instruction	In Progress	During the resource times of students with disabilities the small group instruction is contuning to grow into specif areas of fluency, comprehension and basic reading skills. Students are getting instruction in these areas based off of their IEPs and MAP scores.	May 01, 2013	KC Ratliff
Activity	PLCs	In Progress	The schedule for PLCs in 2013-14 has been restructured to address time needed for administration and teachers to meet to discuss content, instructional strategies, best practices, and analyze data for student learning.	July 31, 2013	KC Ratliff
Activity	PLCs	In Progress	The structure of the PLCs will be redefined in the 2013-14 school year so that the focus can be based on content and grade and concentrate on the success of students in that classroom so that student needs and success rate can be monitored.	May 01, 2013	KC Ratliff

**CSIP Updates August 1, 2013**

Summit View Middle School

Activity	Springboard Program	In Progress	During May, June, and July math and reading teachers collaborated with teachers across the district to refine instructional strategies, best practices, and supplemental materials to be used during the 2013-14 school year to increase college and career readiness of students.	July 31, 2013	KC Ratliff
Activity	Springboard Program	In Progress	Teachers will continue to get professional development that will increase the use of Springboard to increase the reading levels of students with disabilities and students who are in GAP groups.	May 01, 2013	KC Ratliff
Objective	collaborate to increase the average combined reading and math KPREP Proficiency scores from 44.4% in 2012 to 50.0% in 2013 by 06/07/2013 as measured by School report card delivery targets.	Not Met	K-PREP scores have not been received from the state.	July 31, 2013	KC Ratliff
Objective	collaborate to increase the average combined reading and math KPREP Proficiency scores from 44.4% in 2012 to 50.0% in 2013 by 06/07/2013 as measured by School report card delivery targets.	Not Met	K-PREP scores have not been received from the state.	July 31, 2013	KC Ratliff
Strategy	Job Embedded Training		Teachers will continue to collaborate in Job embedded situations that allow for them to develop skills in reading and math strategies in the content area.	July 31, 2013	KC Ratliff
Strategy	Researched Based Programs		Teachers will continue to collaborate in the best practices and research based programs that enhance instructional strategies that improve reading and math scores for all students.	July 31, 2013	KC Ratliff
Strategy	RTI -Response to Intervention		Teachers continue to collaborate to identify the students who are one, two, or more years behind grade level in reading and math so that they can receive instruction that will improve math and reading skills.	July 31, 2013	KC Ratliff
Activity	Scholastic Reading	In Progress	During the summer months the administration analyzed MAP scores and lexile data to identify students needing READ 180, System 44 or Expert 21. These students will be assessed through the SPI or STI throughout the year and depending on their reading level they will continue to receive instruction in the area of their need.	July 31, 2013	KC Ratliff
Activity	Scholastic Reading	In Progress	Students in the reading programs from Scholastic (READ 180, System 44 or Expert 21) will be assessed through the SPI or STI and based on the score they will continue to receive instruction in the area of their need based on the score.	May 01, 2013	KC Ratliff
Activity	Scholastic Reading	In Progress	Students in the reading programs from Scholastic (READ 180, System 44 or Expert 21) will be assessed through the SPI or STI and based on the score they will continue to receive instruction in the area of their need based on the score.	May 01, 2013	KC Ratliff
Activity	Springboard Language Arts and Math	In Progress	During May, June, and July math and reading teachers collaborated with teachers across the district to refine instructional strategies, best practices, and supplemental materials to be used during the 2013-14 school year to increase math and reading scores of students.	July 31, 2013	KC Ratliff

**CSIP Updates August 1, 2013**

Summit View Middle School

Activity	Springboard Language Arts and Math	In Progress	Teachers are receiving professional development in Springboard to help develop skills that grow students in the area of reading and math.	May 01, 2013	KC Ratliff
Activity	Teacher MAP Training	Completed	All Teachers received MAP training that allows them to be able to pull data from the NWEA site. They are now able to get data about the RIT bands of classes and use Descartes to help student learning.	May 01, 2013	KC Ratliff
Activity	PLC Meetings	In Progress	The PLC meeting schedule has been revised and teachers will be meeting in PLCs a minimum of once a week to discuss instructional strategies, best practices, and data analysis in MAP and KPREP for their content area to improve the reading and math skills of all students	July 31, 2013	KC Ratliff
Activity	PLC Meetings	In Progress	The structure of the PLCs will be redefined in the 2013-14 school year so that the focus can be based on content and grade and concentrate on the success of students in that classroom so that student needs and success rate can be monitored.	May 01, 2013	KC Ratliff
Activity	MDC Modules	In Progress	During May and the summer months teachers met with other teachers in the district to develop instructional strategies for the MDC modules that improve the math level of all students.	July 31, 2013	KC Ratliff
Activity	MDC Modules	In Progress	Teachers are increasing their knowledge and instructional skills when using LDC modules so that students can improve basic math skills and math reasoning skills and those students not making progress can be identified and remediation can occur.	May 01, 2013	KC Ratliff
Activity	Instructional Assistant Training	In Progress	During the 2013-14 school year Instructional Assistants will receive training that will allow them to collaborate with content teachers in teaching students in the content areas. Training in reading strategies and progress monitoring will continue through the 13-14 school year.	July 31, 2013	KC Ratliff
Activity	Instructional Assistant Training	Completed	Instructional Assistants were trained in how they can assist students in the language arts class using READ 180. The instruction included pulling reports to monitor progress of students reading independently and using the computer component of READ 180.	May 01, 2013	KC Ratliff
Activity	ESS	In Progress	During the 2013-14 school year teachers will collaborate with administration to identify the students needing more intense skill building by using MAP and KPREP scores.	July 31, 2013	KC Ratliff
Activity	ESS	In Progress	Students identified for ESS by MAP are attending twice a week in order to develop skills in reading and math.	May 01, 2013	KC Ratliff
Activity	ESS	In Progress	Students identified for ESS by MAP are attending twice a week in order to develop skills in reading and math.	May 01, 2013	KC Ratliff
Activity	Data Analysis	Completed	Teachers received training to analyze test scores of students. During the training they identified students who needed remediation, needed rewarding for making Proficient and/or Distinguished on any part of the KPREP test. Teachers also received training in analyzing the Explore test to identify content that needed to be addressed in the curriculum maps.	May 01, 2013	KC Ratliff
Activity	LDC Modules	In Progress	During May and the summer months teachers met with other teachers in the district to develop instructional strategies for the LDC modules that improve the reading level of all students.	July 31, 2013	KC Ratliff

**CSIP Updates August 1, 2013**

Summit View Middle School

Activity	LDC Modules	In Progress	Teachers are increasing their knowledge and instructional skills when using LDC modules so that students can improve reading and writing and those students not making progress can be identified and remediation can occur.	May 01, 2013	KC Ratliff
Activity	Analysis of Student Work	In Progress	Teachers in content areas and by grade will collaborate through PLCs to analyze student data from in the class and MAP and KPREP assessments. Students identified one or two years behind skills level will be scheduled to receive remediation instruction.	July 31, 2013	KC Ratliff
Activity	Analysis of Student Work	Not Completed	PLCs during 2013-14 school year will be meeting by content area so that student work from the class can be analyzed. From the analysis feedback will include interventions for students not making progress.	May 01, 2013	KC Ratliff
Activity	Teaching Reading Strategies	In Progress	Completed in 2012-13. However, during the 2013-14 school year teachers will continue to collaborate to improve the use of reading strategies in content classes which will improve the reading of students at all levels.	July 31, 2013	KC Ratliff
Activity	Teaching Reading Strategies	Completed	Teachers in science, social studies, or other content areas that are not reading or language arts were given strategies to help teach reading in their content area. This was done during job embedded PD.	May 01, 2013	KC Ratliff
Activity	Data Analysis	In Progress	Teachers will collaborate to analyze the spring MAP scores, growth rate of students and growth rate of their classes upon return to school in August of 2103. Teachers will choose a target goal for each of their classes to reach by the spring of 2014.	July 31, 2013	KC Ratliff
Activity	Data Analysis	In Progress	Teachers will continue to analyze the data from spring MAP, content assessments, and failure rates to determine the success rate and growth of success.	May 01, 2013	KC Ratliff
Activity	Male Reading RTI Group	Completed	Students identified for the RTI group for all males completed the RTI group at the end of the school year.	July 31, 2013	KC Ratliff
Activity	Male Reading RTI Group	Completed	The male reading group based on RIT band met every day for two quarters and the students reading level will be measured when they take the spring MAP test and the KPREP test.	May 01, 2013	KC Ratliff
Activity	MAP data for Math	In Progress	Students in the 35%ile and below have been identified for math remediation class using Do the Math Now program. 46 students were identified in the 6th grade, 48 students in the 7th grade, and 42 students in the 8th grade. These students are enrolled in the remediation class for a semester at the beginning of 2013-14.	July 31, 2013	KC Ratliff
Activity	MAP data for Math	In Progress	Students in the 35%ile and below will be identified using the spring MAP results and they will receive remediation in a Do the Math class.	May 01, 2013	KC Ratliff
Goal	Tell Survey		The Administration will continue to use the TELL survey results to improve the climate and culture of Summit View Middle School.	July 31, 2013	KC Ratliff
Strategy	Family Involvement		Continue to develop strategies to get parents involved at the middle school and increase teacher awareness of parental involvement.	July 31, 2013	KC Ratliff
Strategy	Differentiate Professional Development		Continue to increase differentiation of professional development for staff at SVMS.	July 31, 2013	KC Ratliff

## CSIP Updates August 1, 2013

Summit View Middle School

Strategy	Collaboration		Develop ways for teachers to analyze collaboration in the school; what is it, where can it be used, who should be involved and when can it take place? After determining the answers teachers can collaborate to meet their needs for collaboration.	July 31, 2013	KC Ratliff
Activity	PBIS	In Progress	During August 213 the PBIS committee will be planning next steps for the JAG SWAG matrix. The committee will collaborate with teachers to determine areas that need to be addressed from school buses to classrooms.	July 31, 2013	KC Ratliff
