Inclement Weather Early Dismissal Notice & School Closings

Please make sure you have informed your child's teacher of the plan shall we need to dismiss early by filling out the *Emergency School Closure Information Sheet*.

All Kenton County Schools operate on a uniform calendar. The district does not open certain schools while closing others for unsafe weather conditions.

In addition to announcing closings to the radio/television media, the Bright Arrow Automated calling system is used.

For the most immediate information, please follow the school district on Twitter @TheKCSD.
