School Spelling Bee

We are so proud of all our Spelling Bee participants! Congratulations to our winners Xavier H. and Kylie T. They will be representing Kenton Elementary at the District Spelling Bee in December. Bella O. was our cover design winner and will be entered in the district drawing.

Tips to Stay Healthy during Cold & Flu Season

Wash your hands often with soap and water, especially after using the toilet and before eating. Avoid touching your eyes, nose or mouth; these are all entry ways for viruses to get into the body. Get plenty of sleep (eight plus hours), be physically active, manage your stress, drink plenty of water, and eat nutritious food (fresh fruits & vegetables). We cannot rid the world of germs, but we can each do our part by building a strong immune system to help fight off pathogens. And always, stay home if you have a temperature of 100 degrees or higher.
