Staff Highlights

Meet Ms. Bradford, our new 1st grade teacher!

Hi, I'm Ms. Bradford! I graduated from NKU with a degree in psychology in 2016 and a degree in elementary education in 2019. I am from Louisville, KY and currently live in Cincinnati, OH. I recently got engaged so this will be my last year teaching as Ms. Bradford! This will be my second year of teaching and my first year teaching first grade! I can't wait to get to know you this year!

[IMPORTANT Back to School Questionnaire Needed](#)

As we prepare for our first day of in person instruction with students, we need to collect the COVID-19 Back to School Questionnaire for students. A form must be completed by each student who is returning for in person instruction. This will also be mailed to families if you need a hard copy. Please remember that it needs to be filled out one week before in person instruction begins.

[September is Suicide Prevention Month](#)

Students and Parents: September is National Suicide Prevention Month, and the week of September 8-14 is National Suicide Prevention Week. We want to share with you some [resources](#) that can help you recognize warning signs and provide support to help. In Kentucky in 2019, suicide was the leading cause of death among youth ages 10-14 and the second leading cause for people ages 15-34. As these statistics indicate, suicide is a major concern and Kenton Elementary wants to help everyone in our community to stay safe. We know that times are trying, especially this year. Please encourage your child to talk to someone when s/he needs to do so. Our school counselor's contact info is: Mary Volker: mary.volker@kenton.kyschools.us
