## Staff Highlights

Meet Ms. Moore, our new 2nd grade teacher!

My name is Ms. Moore and I am new here at Kenton Elementary School. THIS will be my first year teaching second grade! I have previously taught third grade. I graduated from Northern Kentucky University with a Bachelors of Art in Elementary Education.

**IMPORTANT Back to School Questionnaire Needed**

As we prepare for our first day of in person instruction with students, we need to collect the COVID-19 Back to School Questionnaire for students. **A form must be completed by each student who is returning for in person instruction.** This will also be mailed to families if you need a hard copy. All in person students need to bring that to school on September 28th to give to their teacher. Please remember that it needs to be filled out one week before in person instruction begins. Use the link below to complete the form online.

## How will your child get to school and home each day?

Your child's teacher will be sending you a message through Classroom Dojo regarding transportation. It is important that we know how each student is going to arrive in the morning and leave in the afternoon. Please communicate daily transportation plans to and from school with your child's teacher(s).

### Car Rider Info.

In addition, we will continue to have car tags available in the front office Monday-Friday from 8:00 am-4:00 pm. Next Wednesday, September 23rd. Car tags can be picked up until 6:30 pm. Please bring a photo ID when picking up a car tag.

In order to follow guidance regarding overcrowded areas and visitors in the building, we ask that parents/ guardians stay in their cars when dropping students off.

Parents/ guardians will not be allowed to come into the building on the first day of school to walk students to the classrooms. Please be assured that there will be many Kenton Elementary staff members that will make sure your child gets to their classroom. At the end of the day, parents/ guardians will not be able to stand by the door where students leave for parent pick up.

### **Staying Healthy and Back to School Info.**

We are so excited to be less than one week away from in person learning. The staff at Kenton is working hard preparing for students following all necessary guidelines. The health and safety of our students, staff and families is our number one priority. The best way to do this is to be transparent with you so you can make well-informed decisions for your family. Please continue to visit the Covid-19 dashboard on the KCSD website.

Please review the mask guidelines. Kenton Elementary has purchased breakaway lanyards to help students keep track of their mask throughout the day. Use this link for the most up-to-date guidance document. This document can also be viewed on the KCSD website or the Kenton Elementary website. This document has the most recent guidelines for in person instruction.
