

WHITE'S TOWER VIRTUAL SCIENCE EXPO

WHO: All WTE students K-5

WHAT: A Virtual Science Fair for all Bearcats. This is an **OPTIONAL** experience for all students. Students will complete a science project and video record their presentation. The presentation should be less than 3 minutes long. Students can use the scientific method or just create something scientifically amazing to teach and share with other students.

WHEN: All projects needed to be submitted by Spring Break (4/9/21)

WHERE: All videos will be judged and shared on the White's Tower Elementary website

WHY: To encourage creativity, explore the wild boundaries of science, and develop our presentation skills.

PRIZES WILL BE AWARDED TO THE TOP PROJECTS IN EACH GRADE LEVEL

This Virtual Science Expo is brought to you by the WTE Energywise Team

ANY QUESTIONS: Contact Eric Hendrix (eric.hendrix@kenton.kyschools.us)
