Dear Parent/Guardian,

Your child has chosen to participate in Hanner's Heroes. This program allows our high school students to select the elementary school where they would like to volunteer/mentor.

Hanner's Heroes will focus on relationship building activities while working with elementary students on academic and behavioral goals. Your child will commit to working with one elementary student for 35 minutes once a week.

Please note that this is a volunteer program and all transportation for meetings and weekly mentoring sessions will have to be arranged by the students.

If you would like to have your child to participate in Hanner's Heroes, please complete this form and have your child return it to their high school Hanner's Heroes contact person.
