Social-Emotional Learning

This year, the Kenton County School District is providing Social-Emotional Learning (SEL) instruction to ALL students. SEL is “the process through which children and adults acquire and effectively apply the knowledge, attitudes, and skills necessary to understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions.” Find out more from our PBIS Coordinator Shelly Boutwell.

Elementary Leadership Conference

Our fourth and fifth grade leadership students participated in the annual Elementary Leadership Conference on Oct. 11. Click here for photos.

Ribbon Cutting at Fort Wright Elementary

Take a look at the ribbon cutting that took place at Fort Wright Elementary on Sept. 30! Thank you to everyone who made this possible!

Congratulations to our Team Kenton Award winners!

Congratulations to Fort Wright Elementary kindergarten teacher Deneen Wolsing and Piner Elementary Library Media Specialist Carol Jo Taylor! They were recognized at the October Board Meeting with the Team Kenton Award (formerly WOW Award).

From Ms. Wolsing’s nomination: Deneen Wolsing can make kindergarten students do things that are beyond amazing!

From Ms. Taylor’s nomination: Her mindful efforts to check in & concern that my child reach her highest potential has helped foster a relationship where, 4 years later she’s still tutoring her.

Excellence is Everywhere Banquet

We are looking for table sponsors for our annual Excellence is Everywhere banquet on Nov. 1. Sponsorship is $250 and includes two seats at the banquet as well as recognition in our program and during the presentation.
